

PUPIL ENTITLEMENT FUNDING MODEL

Developed by East Riding of Yorkshire Council and Secondary Heads Association. Supported by the f40 Group

ORDER FORM

Any Local Education Authority can purchase a copy of the Pupil Entitlement Funding Model. The purchase price for f40 member authorities is £750. The price to non-f40 authorities is £1500.

Purchasing LEAs will receive a full working copy of the model on disk together with a detailed manual of guidance. Further help, if needed, can be requested from staff within the Finance Directorate at East Riding of Yorkshire Council.

Further development of the model will continue particularly to build a link into individual school 3-year budget plans. Authorities purchasing the existing model will receive an update including these developments once they are completed. LEAs will of course have the facility to develop the original model to suit local needs as they wish.

The model is sold to the purchasing authority only and whilst it may be shared within the purchasing authority it must not be shared with or passed on to other LEAs.

If you wish to purchase a copy of the model please complete the order form below and return it to: Lisa Forster, Senior Accountant, Finance and IT Directorate, East Riding of Yorkshire Council, County Hall, Beverley, East Yorkshire, HU17 9BA Telephone 01482 394213 or email: lisa.forster@eastriding.gov.uk

Please supply a copy of the Pupil Entitlement Funding Model and send an invoice for £750 (for f40 member authorities) or £1,500 (for non-f40 authorities) to the address shown. I agree to use the model within my authority only and not to pass the model on to any other party.
