

The future of funding

Mike Heiser

17 October 2011

School funding – key issues for the future

- The two tier system
 - A new national formula
 - Constraints on local formulae
 - Role of schools forums
 - Academy and free school funding
 - Role of the EFA
 - LACSEG – base on clearly demonstrated savings to authorities
 - How quickly to implement – and what should the pace of change be ?
-

The LGA and advisers

- LGA and ADCS work closely together
 - Discussions through SFIG and other groups
 - Key advisers represent all types of authority
-
